NOTICE: This form must be signed before your pass is processed. If you do not fully accept the conditions below you may not participate in the sport of skiing at Mount Peter. **NOTICE: Skiers and Ski Lift Passengers...** are governed by the New York State Safety in Skiing Code. (Article 18, of the NYS General Obligations Law).

Before accepting this pass or allowing this pass to be affixed to your person, your attention is directed to a posted 'WARNING TO SKIERS' which is displayed below and where ski lift passes are purchased. New York State Law requires you to seek out, read, review, and understand that 'WARNING TO SKIERS' before you desire to participate in the sport of skiing.

WARNING TO SKIERS: Downhill skiing, like many other sports, contains inherent risks including, but not limited to the risk of personal injury, including catastrophic injury, or death, or property damage, which may be caused by variation in terrain or weather conditions; or surface or subsurface snow, ice, bare spots or branches, trees, roots, stumps; or other natural objects or man made objects that are incidental to the provision or maintenance of a ski facility in New York State. New York law imposes a duty on you to become apprised of and understand the risk inherent in the sport of skiing, which are set forth above, so that you make an informed decision on whether to participate in skiing notwithstanding the risks. New York also imposes additional duties upon you, to which you must adhere, for the purpose of avoiding injury caused by any of the risk inherent in skiing. If you are not willing to assume all of these risks and abide by these duties, you must not participate in skiing at this area.

I have read and understand the 'WARNING TO SKIERS' and agree to abide by article 18 of the NYS General Obligation Law.
